

Travel Coffee Book remains useful mainly as an archival resource focused on travel photographs from destinations in Asia, Europe, and elsewhere, presented through a Tumblr-style archive. Review the current asset page and license before using any image commercially, because provider terms and individual-file restrictions can change.

Current status

Travel Coffee Book remains useful mainly as an archival resource focused on travel photographs from destinations in Asia, Europe, and elsewhere, presented through a Tumblr-style archive. The original list described it this way: “10 new photos every 10 days of beautiful travel moments. Sharing beautiful travel moments. All photos are listed under cc0. That means you can do whatever you want with them.”

Best uses

Travel Coffee Book is most relevant for travel articles, destination mood boards, landscapes, city scenes, and geographically specific editorial content. Search by the subject, orientation, visual style, and required output size rather than choosing an image only because it is free.

Licensing and commercial-use considerations

The site describes its photos as CC0, but the newest visible posts found in this review were from 2019 and some old download links are external. Verify that a file still resolves and preserve evidence of its original license.

“Royalty-free” does not automatically mean no-cost, public domain, or unrestricted. Copyright permission also does not necessarily clear trademarks, artwork, private property, publicity rights, or a recognizable person’s likeness.

What to check before downloading

- Open the specific asset page and save its current license or receipt with your project records.
- Confirm whether attribution, modification, an extended license, or an account is required.
- Check restrictions on resale, print-on-demand products, templates, logos, redistribution, sensitive topics, and AI training.
- Verify model and property releases when identifiable people, interiors, artwork, or private locations appear.
- Make sure the resolution, crop, file format, and visual style fit the final placement.

Provider availability, pricing, and terms can change. This overview is a research starting point, not legal advice or a substitute for the provider’s current license.
