Configuration of **SMS tools** to allow for instant text message campaigns, notifications, and reminders.

$300 - $600 Duration: 2 - 4 Hours

98% Open Rates

Email is powerful, but SMS is immediate. Text messages have a 98% open rate, making them perfect for flash sales, appointment reminders, and urgent updates.

We handle the technical registration required by carriers (A2P 10DLC) to ensure your messages aren't blocked as spam.

SMS Features

Gateway Setup

Connecting Twilio or similar providers to your website forms.

Compliance

Configuring strict Opt-in/Opt-out logic to keep you legally safe.

Auto-Notify

Setting up automatic texts when a user submits a specific form or buys a product.
