

Weekly or Monthly **rank tracking** to prove your SEO is working. See your position history, visibility score, and local performance.

\$150 / Month Duration: Monthly

Measure What Matters

You can't improve what you don't measure. We provide professional-grade tracking that is far more accurate than spot-checking Google yourself (which is biased by your browsing history).

Get clear PDF reports delivered to your inbox showing exactly how your visibility is trending over time.

Report Features

Accurate Ranks

Daily or weekly updates on where your site sits for your most important keywords.

Local Grid

Visualizing your map pack rankings across different neighborhoods in your city.

Movement Alerts

Notifications when you or a competitor makes a significant jump or drop.
